## React Day New York: September 11th, 2020

**This React Day New York is designed as a full-day conference for sharing the latest techniques, best practices and last but not least for good old networking. Passionate front-end developers from around the world will join this event that's all about React.js, React Native and GraphQL.**

Grab the chance and become a sponsor of this outstanding full-day conference where renowned speakers and an inspired crowd of developers will gather at one of the best venues in Brooklyn, New York City: the extraordinary and truly unique **Brooklyn Bowl**. Quoting the Rolling Stone: "Brooklyn Bowl blows our minds... it's one of the most incredible places on Earth!".

Your company name will be visible to a crowd of front-end-lovers and no matter if you'd just like to have your logo and name there or if you'd be looking for people to hire - this is the right place to be!

We want to make it as simple as possible for you to become a sponsor - have a look at our sponsorship packages and let us know which one suits you best:
